Dalal Securities (Private) Limited Financial Statements For the year ended June 30, 2023

# Dalal Securities (Private) Limited

TREC Holder of the Pakistan Stock Exchange Limited.

#### DIRECTOR'S REPORT

On Behalf of the Board of Director of M/s Dalal Securities (Private) Limited, I am pleased to present herewith the financial performance and Audited Accounts of the company for the year ended June 30, 2023.

FINANCIAL RESULTS	2023	2022
	(Rupees)	(Rupees)
Operating Revenue	7,913,919	11,474,224
Profit/(Loss) before Taxation	(30,837,190)	(71,110,646)
Taxation	(1.1179.977)	(2,638,946)
Profit/(Loss) after Taxation	(32,017,167)	(73,749,592)
Earnings per share (Rs.)	(3.20)	(14.75)

#### MARKET DYNAMIC & OUTLOOK

The Year under review was marked by long political uncertainly, adverse economic situation, High Inflation, intrest rate and currency devaluation etc. Due to above factors the PSX 100 Index was down by 88 points (0.21%) during the year.

#### **COMPANY PERFORMANCE**

In view of the overall negative outlook, the performance of our company was not satisfactory and Net/(Loss) for the year Rs. (32.01) million resulting in EPS (loss) per shares Rs (3.20)

#### **AUDITORS:**

The Auditors M/s UHY Hassan Naeem & Co. retire at the conclusion of the Annual General Meeting being eligible, they have offered themselves for re-appointment.

#### **CONCLUSION:**

The Board of Directors the co-operation extended by our banks and financial institutions and efforts, dedication and commitment demonstrated by our valued customers. The board appreciates and acknowledges the contribution and dedication of all the employees in performing their task diligently and with commitment.

For and on behalf of the Board Dalal Securities (Private) Limited

Muhammad Siddique Dalal

Chief Executive

# To the members of DALAL SECURITIES (PRIVATE) LIMITED

#### Report on the Audit of the Financial Statements

#### Opinion

We have audited the annexed financial statements of DALAL SECURITIES (PRIVATE) LIMITED ("the Company"), which comprise the statement of financial position as at June 30, 2023 and the statement of profit or loss, the statement of changes in equity, and the statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, the statement of changes in equity and statement of cash flow together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2023 and of the loss for the year then ended, the changes in equity and its cash flows for the period then ended.

#### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirement of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enables the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

- investments made, expenditure incurred and guarantees extended during the period were for the purpose of the Company's business, and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).
- e) the company was in compliance with the requirement of section 78 of the Securities Act 2015, and the relevant requirements of Securities Brokers (Licensing and Operations) Regulations, 2016 as at the date on which the financial statements were prepared

The engagement partner on the audit resulting in this independent auditor's report is Arslan Ahmed.

# DALAL SECURITIES PAKISTAN (PRIVATE) LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

#### Legal Status and Nature of Business

Dalal Securities (Private) limited was incorporated under the repealed Companies Ordinance, 1984 on June 04, 2001 as a private limited company. The Company is a corporate member of Pakistan Stock Exchange Limited. The geographical location of business and registered office of the company is located at room no. 103,1st floor, Business Finance Centre, I.I. Chundrigar Road, Karachi and the company does not have any branch office. The principal activities of the Company are investment and share brokerage.

#### 2 Basis of Preparation

#### 2.1 Statement of Compliance

These financial statements are prepared in accordance with the provisions of the Companies Act, 2017. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017, provisions of and directives issued under the Companies Act, 2017. In case requirements differ, the provisions or directives of the Companies Act, 2017 shall prevail.

#### 2.2 Basis of Measurement

These financial statements have been prepared under the historical cost convention except Investments that are carried at fair value.

#### 2.3 Functional and Presentation Currency

These financial statements are presented in Pak Rupees, which is the functional and presentation currency of the Company and have been rounded off to the nearest rupee.

#### 2.4 Use of Estimates and Judgments

The preparation of financial statements is in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of the revision and future periods in the revision affects both current and future periods.

The estimates and judgments that have a significant effect on the financial statements that are in respect of the following:

- Property and equipment (note 4)
- Taxation (note 18)

#### 2.5 New Accounting pronouncements

The following revised standards, amendments and interpretations with respect to approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standards or interpretation:

Description effective for periods		Effective for periods beginning on or after
IAS 1	Presentation of Financial Statements (Amendments)	January 01, 2023
LAS 8	Accounting policies, changes in accounting estimates and errors (Amendments)	January 01, 2023
IAS 12	Income Taxes (Amendments)	January 01, 2023
IAS 7	Statement of Cash Flows (Amendments)	January 01, 2023
IFRS 4	Insurance Contracts (Amendments)	January 01, 2023
IFRS 3	Financial Instruments: Disclosures	January 01, 2023
IFRS 16	Leases (Amendments)	January 01, 2024

The Company expects that the adoption of the above revisions, amendments and interpretations of the standards will not have material effect on the Company's financial statements in the period of initial application.

Other than the aforesaid standards, interpretations and amendments, IASB has also issued the following standards and interpretation, which have not been notified locally or declared exempt by the SECP as at June 30, 2023:

- IFRS 1 (First Time Adoption of International Financial Reporting Standards)
- IFRS 17 (Insurance Contracts)
- IFRIC 12 (Service concession arrangements)

#### 3 Summary of Significant Accounting Policies

The significant accounting policies adopted in the preparation of these financial statements are set out below. These policies have been applied consistently to all the years presented.

#### 3.1 Taxation

Income tax expense comprises of current, deferred and prior year tax. Income tax expense is recognized in profit and loss account except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

#### Current Tax

Provision for current tax is based on taxable income at the enacted or substantially enacted rates of taxation after taking in to account available tax credits and rebates, if any. The charge for current tax includes adjustments to charge for prior years which arises from assessments/ developments made during the year, if any.

#### Deferred Tax

Deferred tax is recognized using balance sheet method, in respect of temporary differences between the carrying amounts of asset and liabilities for financial reporting purposes and the amounts used for taxation purpose. The amount of deferred tax provided is based on the expected manner of realization or settlement or the carrying amount of assets and liabilities, using the enacted or substantively enacted rates or taxation.

The company recognizes deferred tax asset to the extent that it is probable that taxable profits for the foreseeable future will be available against which the asset can be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

#### 3.2 Property and Equipment

Property and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow

to the Company and its cost can be measured reliably. Cost incurred to replace a component of an item of property and equipment is capitalized, the asset so replaced is retired from use and its carrying amount is derecognized. Normal repairs and maintenance are charged to the profit and loss account in the period in which they are incurred.

Depreciation on all property and equipment is charged to the profit and loss account using Reducing Balance method over the asset's useful life at the rates stated Note no. 4. The depreciation on property and equipment is charged full in the month of acquisition and no depreciation is charged in the month of disposal. Gains or losses on disposal of an item of property and equipment are recognized in the profit and loss account. The assets' residual value and useful life are reviewed at each financial year end, and adjusted if appropriate.

#### 3.3 Intangible Assets

An intangible asset is recognized as an asset if it is probable that future economic benefits attributable to the asset will flow to the entity and the cost of such asset can be measured reliably.

#### Trading Right Entitlement Certificate(TREC)

This is stated at cost less impairment if any, the carrying amount is reviewed at each balance sheet date to assess whether it is in excess of its recoverable amount, and when the carrying amount exceeds its estimated recoverable amount, is it written down to its estimated recoverable amount.

#### Software

Costs directly associated with identifiable software that will have probable economic benefits exceeding costs beyond one year, are recognized as an intangible asset. Direct costs include the purchase costs of software and other directly attributable costs of preparing the software for its intended use.

Computer software is measured initially at cost and subsequently stated at cost less accumulated amortization and accumulated impairment losses, if any.

#### Amortization

Intangible assets with indefinite useful lives are not amortized, instead they are systematically tested for impairment at each reporting date. Intangible assets with finite useful lives are amortized at straight line basis over the useful life of the asset (at the rate specified in note 6 to these financial statements).

#### 3.4 Trade debts and other receivables

Trade debts and other receivables are recognized at fair value and subsequently measure at cost less impairment losses, if any. Actual credit loss experience over past years is used to base the calculation of expected credit loss. Trade debts and other receivables considered irrecoverable are written off.

#### 3.5 Provisions

A provision is recognized in the financial statements when the company has a legal or constructive obligation as a result of past event, and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. The amount recognized as a provision reflects the best estimate of the expenditure required to settle the obligation at the end of the reporting period.

#### 3.6 Trade and Other Payable

Trade and other payables are recognized initially at fair value plus directly attributable cost, if any, and subsequently measured at amortized cost.

#### 3.7 Revenue recognition

Brokerage Commission, corporate finance income and other income are recognized as and when services are rendered.

Dividend income is recognized when the right to receive the dividend is established

Income on exposure and bank deposits is recognized on a time proportionate basis that takes in to account the effective yield.

#### 3.8 Cash and Cash Equivalents

Cash and cash equivalents comprise cash in hand, bank balances and highly liquid short term investments with original maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### 3.9 Contingent Liabilities

A Contingent liability is disclosed when the company has a possible obligation as a result of past events, whose existence will be confirmed only by the occurrence or non-occurrence, of one or more uncertain future events not wholly within the control of the company; or the company has a present legal or constructive obligation that arises from past events, but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or the amount of obligation cannot be measured with sufficient liability.

#### 3.10 Financial Instruments

#### 3.10.1 Initial recognition, classification and measurement

The Company recognizes a financial asset when and only when it becomes a party to the contractual provisions of the instrument evidencing investment. The Company classifies its financial assets into either of following three categories:

- (a) Financial assets measured at amortized cost.
- (b) fair value through other comprehensive income (FVOCI);
- (c) fair value through profit or loss (FVTPL)

#### (a) Financial assets measured at amortized cost:

A financial asset is measured at amortized cost if it is held within business model whose objective is to hold assets to collect contractual cash flows, and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.

Such financial assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition or issue thereof.

#### (b) Financial assets at FVOCI

A financial asset is classified as at fair value through other comprehensive income when either:

- (i) It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount.
- (ii) It is an investment in equity instrument which is designated as at fair value through OCI in accordance with the irrevocable election available to the Company at initial recognition.

Such financial assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition or issue thereof.

A debt instrument can be classified as a financial asset at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognizing the gains or losses on them on different bases.

All equity instruments are to be classified as financial assets at fair value through profit or loss, except for those equity instruments for which the Company has elected to present value changes in other comprehensive income.

#### Subsequent measurement

Debt investments at FVOCI

value. Interest /markup income calculated using effective interest rate method, and impairment are recognized in the statement of profit and loss account. Other net gains and losses are recognized in other comprehensive income. On de-recognition, gains and losses accumulated in other comprehensive income are reclassified to the statement of profit and loss account.

These assets are subsequently measured at fair

Equity Investments at FVOCI

These assets are subsequently measured at fair value. Dividends are recognized as income in statement of profit and loss account unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in other comprehensive income and are never classified to the profit and loss account.

Financial asset at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest/markup or dividend income, are recognized in the statement of profit and loss account.

Financial assets measured at amortized cost

These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest/ markup income, and impairment are recognized in the statement of profit and loss account.

#### Non Derivative financial assets

All non-derivative financial assets are initially recognized on trade date i.e. date on which the company becomes party to the respective contractual provisions. Non-derivative financial asset comprise loans and receivables that are financial assets with fixed or determinable payments that are not quoted in active markets. The company derecognizes the financial asset. When the contractual rights to the cash flows from the asset expires or it transfer the right to receive the contractual cash flow in a transaction in which substantially all risk and rewards of ownership of the financial assets are transferred or it neither transferred nor retain substantially all the of the risk and rewards of ownership and does not retain control over the transferred asset.

#### Offsetting of financial assets and financial liabilities

Financial Assets and financial liabilities are offset and the net amount is reported in the financial statements only when the company has a legally enforceable right to offset and the company intends to either settle on a net basis, or to realize the assets and to settle the liabilities simultaneously. Income and expense items of such assets and liabilities are also offset and the net amount is reported in the financial statement only when permitted by the accounting and reporting standards as applicable in Pakistan.

#### Financial Liabilities

Financial Liabilities are initially recognized on trade date i.e. the date on which the company becomes party to thee respective contractual provisions. Financial Liabilities include markup bearing borrowings and trade and other payables. The company derecognizes the financial liabilities when contractual obligations are discharged, cancelled or expire. Financial liability other than fair value through profit and loss are initially measured at fair value less any directly attributable transaction cost. Subsequent to initial recognition, these liabilities are measured at amortized cost using effective interest rate method.

#### Impairment

#### Financial assets

The company recognized loss allowances for Expected Credit Losses (ECLs) in respect of financial asset measured at amortized cost.

The company measures loss allowance at an amount equal to life time ECLs, except for the following, which are measured at 12 month ECLs:

- Debt securities that are determined to have low credit risk at reporting date; and
- Other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowance for trade receivables are always measured at an amount equal to lifetime ECLs.

When determining whether the credit risk of financial asset has increased significantly since initial recognition and when estimating ECLs, the company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based in the company's historical experience and informed credit assessment and including forward-looking information.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

The gross carrying amount of financial asset is written off when the company has no reasonable expectations of recovering of a financial asset in its entirety or a proportion thereof. The company individually makes an assessment with respect to the timing and amount of write-off based on whether there is reasonable expectation of recovery. The company expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the company's procedures for the recovery of amounts due.

#### Non-financial assets

The carrying amounts of company's non-financial assets are reviewed at each balance sheet date to determine whether there is any indication of impairment, if such indication exists, the asset's recoverable amount, being higher of value in use and fair value less cost to sell, is estimated. In assessing value in use, the estimated future cash flows are discounted to their present value using pre- tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together in to smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or group of assets. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognized in the statement of profit or loss.

#### 3.11 Post Retirement benefits- Staff gratuity

The company operates an unfunded gratuity scheme for all of its eligible employees who have completed the minimum qualification period of service.

#### 19.2 Financial risk management

The company primarily invests in marketable securities and are subject to varying degrees of risk.

The Board of Directors of the company has overall responsibility for the establishment and oversight of the company's risk management framework. The company has exposure to the following risks from its use of financial instruments:

Credit risk

Liquidity risk

Market risk

Operational risk

#### 19.2.1 Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss, without taking in to account the fair value of any collateral. Credit risk arises from the inability of the issuers of the instruments, the relevant financial institutions or counter parties in case of placements or other arrangements to fulfil their obligations.

#### Exposure to Credit risk

Credit risk of the company arises principally from the trade debts, investments, loans and advances, deposits and other receivables. The carrying amount of financial assets represents the maximum credit exposure.

Credit risk is minimized due to the fact that the company invest only in high quality financial assets, all transactions are settled/paid for upon delivery. The company does not expect to incur material credit losses on its financial assets. The maximum exposure to credit risk at the reporting date is as follows:

2022

8,770,000 126,761,760 2,214,055

18,229,000

47,769,753 203,744,568

Other	43,679	119,151
	25,007,978	47,769,752

The credit rating agency are PACRA and JCR-VIS.

#### 19.2.3 Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting its financial obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the company could be required to pay its liabilities earlier than expected or difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, the availability of funding to an adequate amount of committed credit facilities and the ability to close out market positions due to dynamic nature of business.

			2023

Financial Liabilities					
Trade and other	22,706,296	22,706,296	22,706,296	-	-
payables					

On the balance sheet date, the company has cash and bank balances of Rs. 25.07 million (2022: 47.79 million) and Investments of Rs 122.93 million (2022: 137.82 million) for repayment of liabilities.

#### 19.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to change in credit rating of the issuer or the instrument, management manages market risk by monitoring exposure on marketable securities by following the internal risk management and investment policies and guidelines.

Market risk comprises of three types of risk currency risk, interest rate risk and other price risk.

#### Currency risk

Foreign currency risk arises mainly where receivables and payables exist due to transactions in foreign currencies. Currently there is no currency risk as all financial assets and liabilities are in PKR.

#### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market risk. The interest rate risk is insignificant as all interest based assets are linked with market interest rate.

#### Other price risk

Other price risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factor affecting all or similar financial instrument traded in the market.

The company's investment are exposed to market price risk arising from uncertainties about the future value of investment securities. The company manages the equity price through diversification and all instruments are made through surplus funds.

The 10 percent increase/(decrease) in market value of these instruments with all other variables held constant impact on profit and loss account of the company is as follows:

	10% Increase	10% Decrease
as at 30th June 2023	11,492,623	(11,492,623)
as at 30th June 2022	12,676,176	(12,676,176)

Before Tax

#### 19.4 Fair value of Financial instruments

Fair value is the price that would be received to sell an asset are paid to transfer a liability in any orderly transaction between market participants at the measurement date. The management is of the view that the fair values of the financial assets and liabilities are not significantly different from their carrying values in the financial statements.

The company measures fair value using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Following is the fair value hierarchy of assets and liabilities carried at fair value:

		2023	
	Level I	Level 2	Level 3
		(Rupees)	
oted securines	122,927,069	×	-
	122,927,069	-	-
		2022
